(SERB)

The University :

Sri Krishnadevaraya University is an offshoot of the erstwhile Postgraduate Centre of Sri Venkateswara University, started in 1968, the S.V.U. Postgraduate Centre attained autonomous status in 1976. Situated in rural environs in an expensive campus of over 500 acres (2.0 Km²) of land, the University has ample scope for development. It includes University Science Instrumentation Centre, Computer Centre, Health Centre, Gymnasium, Outdoor Stadium, Auditorium and Adequate space to accommodate departments of studies, Laboratories, Hostels, and housing for the staff. At present, the University is working under the administrative control of Prof. M.R.K. Reddy, Vice Chancellor.

The Department of Sericulture :

The Department of Sericulture was one of the life Science Departments, started in the year 1990. Since then, the Department grew both quantitatively and qualitatively. The department is offering M.Sc., M.Phil., and Ph.D., Courses in Sericulture. The department has proved its ability in getting funds and projects from various organizations. The faculty is extending their services to various Departments, Institutions and Sericulture Farmers. At present, the Department is headed by Prof. S. Sankar Naik.

The Seminar :

The present seminar on Entrepreneurship Development in Sericulture is aimed at providing a common platform for all researchers and Stakeholders to discuss about different sectors of Sericulture Industry suitable for entrepreneurship development to create the vast self employment opportunities. The Final outcome will lead to create the best income generating opportunities among rural educated youth and women folk in the field of Sericulture.
