

Brief Profile of the Registrar

Dr. E. Ramesh Babu is a distinguished academician and experienced administrator serving as the Registrar of Sri Krishnadevaraya University, Anantapur. He holds M.Com., MBA (Finance), B.Ed., and B.L.I.Sc. degrees, and has been awarded a Ph.D. in Commerce. With a strong blend of academic and administrative expertise, Dr. Ramesh Babu has accumulated significant experience in higher education. He began his career as a Lecturer in Commerce, teaching subjects such as Financial Management, Financial and Cost Accountancy, Business Statistics, Banking, and Economics. His transition into university administration marked the beginning of a long and impactful service at the University, where he has held key positions including Statistical Assistant and Research-cum-Statistical Officer.

In his administrative roles, he has played a vital part in academic coordination, institutional data management, and liaison with national and state-level agencies, including the University Grants Commission (UGC). He has contributed extensively to the preparation of NAAC documentation, university annual reports, budget estimates, and statistical records relating to academic and administrative performance.

Dr. Ramesh Babu has also been actively involved in handling matters related to the Right to Information Act, legal affairs, and quality assurance processes. His expertise extends to data analysis and digital tools such as MS Office, SPSS, and Tally, which support effective decision-making and institutional planning.

He has participated in several orientation programmes, refresher courses, and academic workshops, and has contributed to scholarly discourse through research publications. With his comprehensive experience and commitment to excellence, Dr. Ramesh Babu continues to strengthen administrative systems and support the academic mission of the University.
